

**SAINT JOHN SEA DOGS FOUNDATION**  
**50/50 – Policy and Procedures**

The 50/50 computer system and contest is operated by the Saint John Sea Dogs Foundation and its volunteers.

Tickets prices are 1 for \$2.00, 5 for \$5.00, or 30 for \$10.00.

Purchasers of ticket(s) will receive one copy of the ticket(s) purchased and the other matching ticket(s) remain in the 50/50 computer system.

Proceeds benefit the Saint John Sea Dogs Foundation and the Luxor Shriners Charities.

Tickets are sold throughout each Saint John Sea Dogs home game at various locations within Harbour Station.

The last public address announcement for the 50/50 winning number will be at approximately the 18:00 mark of the third period.

Ticket sales will cease at approximately the 15:00 mark of the third period. A random ticket number is then drawn by the computer system and witnessed by more than one individual.

The winning number is announced at approximately the 13:00 mark of the third period.

The winning ticket number holder will have approximately five minutes, based on the game score clock, to claim their prize. The prize can be claimed behind Section V.

In the case of a discrepancy between the announced number and the actual winning number – the actual winning number will be considered to be the valid winning ticket.

In the event the prize is not claimed, a second winning number will be drawn. When the second winning number is announced on the Public Address System, the first number is considered null and void.

In the event the second winning number is not claimed, that number will be posted on the Sea Dogs website ([www.saintjohnseadogs.com](http://www.saintjohnseadogs.com)) or available through the Sea Dogs office (506-657-DOGS) until 5 pm the following day.

In the event the second winning number is not claimed, the winner's amount will be added to the 50/50 prize at the last regular season home game.

In the unlikely event there are duplicate winning numbers; the prize shall be divided equally amongst the winners.

The Sea Dogs Foundation reserves the right to authenticate tickets.

In the event of a computer shutdown, power failure, or malfunction, the winning number will be announced on the Sea Dogs website or through the Sea Dogs office at the earliest opportunity.

The Sea Dogs Foundation reserves the right to stop the contest and select the winning number at anytime.

The following individuals are not eligible to participate in the 50/50 contest: Sea Dogs staff members, Sea Dogs Foundation Board Members, Sea Dogs Foundation staff members, Shriners or other volunteers working on behalf of the 50/50 event.
